

# THE LEGALEASE RESEARCH PATHFINDER

## LEGALEASE HAS A PROVEN RECORD OF HELPING LAW FIRMS AND CORPORATE COUNSEL INCREASE EFFICIENCY WHILE SUBSTANTIALLY CUTTING COSTS THROUGH ITS RELIABLE LEGAL SUPPORT SERVICES

LegalEase has introduced a new affordable research tool for attorneys: the Research Pathfinder. The Research Pathfinder is a thoroughly researched breakdown of all relevant case law, statutes and any other opinion, law review, or other secondary research related to any legal issue. The Research Pathfinder will include copies of all legal materials (e.g. case law, statutes, regulations, etc.) cited and will include a concise summary of the materials.

LegalEase is a leader in the legal industry for high quality and affordable legal research. Our team of attorneys have full access to Westlaw, Lexis Nexis, and other research engines. Our subscriptions to these research services are premium, giving us access to extensive materials both domestic and international, allowing us to dig deep on any research request. We can substitute your need for a research service, at a very affordable price.

We will complete your research request **within 24 hours** for a flat fee of \$250 per legal issue. Please inquire about our monthly contract rates which are even significantly lower.
